As many of you know, the Public Works / Infrastructure (PWI) Committee of the Advisory Neighborhood Commission 4B (ANC 4B) has held several Informational Meetings comprised of Walk-throughs with Follow-up discussions.

On Saturday morning, we'll have a summary discussion on the DDOT proposal, section by section as listed above, and reference the data presented and discussions held in PWI's several Informational Meetings.

This will provide the basis for PWI's Draft Resolution to the ANC 4B.

We hope to see you there on Saturday, **January 6**, 10:30 am - 1:00 pm!
